

# Jack and the Beanstalk Access Performances

## **Captioned: Thursday 29th Dec 7.30pm**

Screens to either side of the stage relay the words and lyrics as they are delivered. The captions include sound effects, as well as the character's name, and are synchronised with the actor's delivery on stage enabling patrons to follow the dialogue as it is spoken.

## **Signed: Friday 30th Dec 2.30pm**

A BSL interpreter will stand on the stage and give a British Sign Language interpretation of the text sung or spoken by the actors and singers on the stage.

## **Audio Described: Tuesday 3rd Jan 2:30pm**

Theatre-goers will be given a headset and listen to a live description of the action on stage. The description only happens in between dialogue and supplements the voices of the performers in explaining the emotions and action of each scene.

## **Relaxed: Wednesday 4th Jan 5pm**

A relaxed performance is here to be a warm and welcoming environment for all. The lights inside the Auditorium will remain on a low level during the show. Sound levels will be reduced to make it more comfortable.

If you need to use a tablet or phone to enjoy the show, you can, and don't worry if you want to move around or make noise during the show. You can take a break at any time and there will be a Chill Out Area upstairs in the meeting room.

There will also be TVs in the Circle Bar and the Foyer, so if you want to take a break, you won't miss the show.
